MOVE BEYOND TRADITIONAL METHODS

Integrate ILA Translation Technology

- **Boost family engagement:** Get feedback & questions. Have 2-way conversations in realtime instead of 1-way static transcripts.

- **Eliminate the scramble to find bilingual staff.** ILA translates 24/7. Perfect for time-sensitive meetings with parents.

- **Connect via ILA to live interpreters fast & easy.** ILA connects to your providers, or you can use ours (offering 400+ languages).

ILA's multiple interfaces allow you to converse either in person or remotely.

How Educators Use ILA

Office/Admin/Registrar

ILA provides instant translation so families that speak other languages can easily be served on demand by any staff member in the school office. With ILA, schools can assist multilingual familes either in person or over the phone.

Parent/Teacher Conferences

Teachers can have private 2-way parent-teacher conferences, or time-sensitive meetings that arise unexpectedly with parents speaking other languages. ILA translates on demand & clearly so parents can understand, ask questions and provide feedback to teachers.

Community & Family Engagement

Multilingual families can participate in school, district or community events. All they simply have to do is scan a QR code & pick their language. They will instantly be able to understand, be understood and participate.

Why Educators Use ILA

Schools need additional tools to engage more frequently with multilingual families

- Translate on demand
- Run meetings with families efficiently
- Have 2-way conversations with families
- Increase parent/guardian involvement

- Empower non-bilingual staff to help everyone
- Maximize ability to engage families
- Offer bilingual families a choice of language
- Inspire students when hearing their language
